

# AHS

## *Warrior Basketball*

The Booster Club is excited to announce we will be participating in the Grocery Certificate program this year. Purchasing grocery certificates is a fun and easy way to earn fundraising money to help reduce your son's AHS basketball expenses. This is not a fundraiser for the club! Funds received from certificates purchased will be deposited into an account in your player's name. The two grocery certificate programs are as follows:

Player's account will be credited 5% of certificates purchased.  
For example, \$50 in certificates purchased (times 5%) = \$2.50  
deposited into the player's account.

Assuming we purchase in \$500 allotments, player's  
account will be credited 7% of certificates purchased.  
Certificates will be honored at all Tony's locations.

Contact Robyn Balli to obtain certificates:
